1. Software Installation

For proper system installation of the **Cigati [Yahoo Email Backup Tool](#)**, your computer should have the minimum configuration requirements that are mentioned below.

Minimum System Requirements

Processor	Intel® Pentium 1GHZ Processor(x86, x64) or equivalent
Hard Disk	500MB of Free Hard Disk Space Required
Memory	Minimum 512MB (1GB Recommended)
Operating System	Windows 10 and all below Versions

Installing the Software

To install the **Cigati Yahoo Backup Tool**, you need to follow the below installation steps precisely.

- Firstly, navigate to the [Cigati Solutions](#) website.
- Go to the **Yahoo Email Backup Tool** page and download the tool.
- Now, click on the downloaded file to start the installation setup.
- Press the **Next** icon to proceed further in the steps.
- Choose the location on your PC to install the software and hit **Next**.
- Once the installation completes, tap on **Finish** to exit the setup.

Evaluation Version Tab Buttons

As you launch the demo version of the software, the following buttons are displayed on the first tab that is displayed.

Buy: It redirects you to the [Purchase now](#) webpage, from where you can buy the licensed version of the software.

Live Chat: This button will take you to the [Customer Support](#) page if you require any technical support.

Try Demo: It opens the demo version of the utility that comes with some restrictions.

Activate: You can activate your software with this button using the Order Id and [Activation](#) Key if you have already made the purchase.

2. User Interface

You will see the below user interface as you open the **Cigati Yahoo Email Backup Tool**.

You can use the four icons displayed on the tool for their below-mentioned functions.

	Buy	Click on this button to buy the licensed version of the software.
	Activation	You can activate the full software using the Order ID and Activation Key with this icon.
	Help	Tap here to learn more about the working and features of the software.
	Info	If you require any information about the software, you can press this icon for the same.

3. Working Procedure of the Software

1. Download and Launch the software **Cigati Yahoo Email Backup Tool**.

2. Enter the Yahoo username and [third-party app password](#). Click on the **Sign In** button.

3. Here, the software **displays the Yahoo mailboxes** in a tree structure. Now, **Check the folder** that you want to backup or migrate. Click on the **Next** button to move further.

4. Choose the **PDF** as a saving format from the drop-down of the **Yahoo Backup Tool**.

5. In this wizard, you can check on the desired options from
- Remove Duplicate Mail On basis of To, From, Subject, Bcc, Body:** It prevents the multiple migrations of the same email which helps in effectively utilizing the storage space.
 - Maintain Folder Hierarchy:** This feature allows you to save the resultant file in the same source folder.
 - Convert Attachments to PDF format:** You can opt for this feature to save both emails and attachments in PDF format. This option is only available when you opt for the PDF as a resultant format.
 - Free Up Server Space:** Enabling this option will remove the files from the Yahoo Server after the backup/migration process.
 - Skip Previously Migrated Items:** If you have already done the migration with the help of this software then it helps to skip previously migrated emails to optimize the storage space.
 - Migrate or Backup Emails Without Attachment files:** This option helps in migrating the emails without their attachments.

The screenshot displays the Cigati Yahoo Backup Software (Demo) interface. The window title is "Cigati Yahoo Backup Software (Demo)" and the menu bar includes "Menu", "Buy", and "Help". The main header features the Cigati logo and the text "Cigati Yahoo Backup Software", along with icons for shopping, search, help, and information.

The interface is divided into several sections:

- Saves/Backup/Migrate As :** A dropdown menu is set to "PDF".
- Options:** A list of checkboxes on the left side, each with an information icon (i) to its right:
 - Remove Duplicate Mail On basis of To, From, Subject, Bcc, Body
 - Maintain Folder Hierarchy
 - Convert Attachments to PDF Format
 - Free up Server Space
 - Skip Previously Migrated Items
 - Migrate or Backup Emails Without Attachment files
- Mail Filter:** A section with a checked checkbox and two date pickers: "Start Date" (Nov 1, 2021) and "End Date" (Nov 10, 2021).
- Custom Folder Name :** A text input field containing "yahoo data" and an information icon.
- Set Backup Schedule:** A section with a checked checkbox, a "Task run time" field (Nov 13, 2021, 14:11:46), and radio buttons for scheduling: "Once" (selected), "Every Day", "On Week Day", "Every Week", "Every Month", "On Week Day", and "On Month Day".
- Naming Convention :** A dropdown menu set to "Subject_Date(DD-MM-YYYY)" and an information icon.
- Destination Path :** A text input field containing "C:\Users\j Singh\Desktop" and a "Path to Save" button.

At the bottom of the interface, there are two buttons: "Previous" and "Convert".

6. Additionally, you can select the following features to optimize the backup process.
- Mail Filter:** It allows you to define the date range for selecting the particular Gmail emails.
 - Custom Folder Name:** With this option, you can specify the resultant folder name.
 - Naming Convention:** It enables you to specify the desired formatting as DD-MM-YYYY.

7. Click on **Path to save** and choose your desired path to save the file.

8. Finally, tap on the **Convert** button to proceed with the backup process of Yahoo emails.

9. Click on the **download report** button to inspect the backup process.

The screenshot shows the Cigati Yahoo Backup Software (Demo) interface. The window title is "Cigati Yahoo Backup Software (Demo)" and the menu includes "Menu Buy Help". The main header is blue with the Cigati logo and the text "Cigati Yahoo Backup Software". There are icons for shopping cart, search, help, and user profile in the top right corner.

From	To	Status	Duration	Message Count	Path	Last Runtime	Next RunTime
Yahoo Mail	PDF	Completed	0:55	0	C:\Users\singh\Desktop\...		

Below the table, there is a large grey rectangular area. At the bottom of this area is a button labeled "Download Report" with a download icon. At the very bottom of the interface, there is a blue bar with a button labeled "Convert Again" with a double-headed arrow icon.
